MICROBIOLOGY

majors

CHANGES COMING IN THE CURRICULUM

New courses offered in fall 2020:

MIBO 3500L - 1 credit hour lab course; pre- or co-requisite MIBO 3500

MIBO 4300 - Genome Editing in Mammals, Plants, Insects, and Microbes; taught by our new Department Head, Dr. Aaron Mitchell

MIBO 4090 - 4 credit hour course that includes a discussion section

CAREER DIRECTIONS

Click on the workshops offered by the Career Center:

[March 17th, 5:00 PM - Be more than your major; MLC room 171](#)

[March 18th, 11:00 AM -UGA Summer Job and Internship Fair; Tate, 5th floor](#)

[March 19th and April 1st - Pre-health personal statement workshop; Clark-Howell, room 246](#)

DIRECTED RESEARCH

Course credit is offered to students who want to gain experience in a lab. MIBO 4960R and MIBO 4970R are courses that align with CURO and will count toward the Microbiology major.

Find out more by going to the [MIBO Directed Research](#) webpage.

ASM CLUB

Join fellow Micro majors (and others) at the ASM club meetings held on Wednesdays in Room 216, Biological Sciences at 6:30.

March 4th, 6:30 PM - ASM meeting

March 18th, field trip to CCRC

April 1st, 6:30 PM, Room 217 - ASM meeting

April 29th, 12:00 PM, Room 217, Study-A-Thon
