ONLINE CLASSES

If you are in need of the Internet:

Spectrum is offering free internet to students during this semester. You can inquire about this offer at: [Free Internet](#) Additionally, all UGA extension offices will be open for UGA students to use their WiFi. To find a local agent go to [Extension Offices](#)

If you are in need of a computer, send an email request to daeit@uga.edu to request a computer and/or hotspot. In the body of the email, simply state your name, 81x, and that you need a computer and/or hotspot.

UGA libraries will offer some scheduled time to use computer labs: [Contact the Libraries](#) to schedule a time. 706-542-3251

DON'T FORGET TO REGISTER FOR ADVISING

Be sure to go to SAGE to secure an appointment if you have not done so already - remember this will be done online.

More information can be found through [UGA's advising website](#).

GRADUATION ASSURANCE

Be assured that we are trying to be as creative and personal as possible to help our upcoming graduates celebrate an important milestone in their lives.

Be expecting an email or two to be coming your way soon.

IF YOU ARE IN ATHENS

There's plenty of organizations and resources available in Athens, GA. Click on the [Athens Organizations](#) supplied by the UGA library for a comprehensive list of groups that can help.
